

REACH DECLARATION OF CONFORMITY

Declaration to be completed in view of achieving compliance with Article 33(1) REACH Regulation (EC) No 1907/2006 From: Supplier: **AN-EL ANAHTAR ve ELEKTRİKLI EV ALETLERİ SAN A.Ş.**, Tepeören İTOSB Mah. 3.Cad. No:4 Tuzla 34959 İstanbul TÜRKİYE

The Supplier declares that it has read and understood the document »Candidate list« published by the European Agency for Chemicals (ECHA): <http://echa.europa.eu/candidate-list-table>.

The inclusion of a substance in the Candidate List creates legal obligations to companies manufacturing, importing or using such substances, whether on their own, in preparations or in articles. The 'SVHC list' is regularly updated, and is expected to grow to around 400 substances.

Supplier has the obligation to keep informed with the new substances that may be added to the candidate list and automatically inform all customers about their presence in the articles or materials, in accordance with Article 33 (1) of REACH Regulation.

Materials/articles supplied must not contain Substances of Very High Concern (SVHC). If Materials/Article(s) contain SVHC, they must be substituted by less hazardous alternatives.

Supplier shall cross only one of the boxes below, confirming that materials/components:

1. ☒ **DO NOT CONTAIN** any substances found on the above mentioned »Candidate list«
- or.
2. ☐ **CONTAIN** any substances found on the above mentioned »Candidate list«

Moreover:

-They do not contain any substance subject to authorization as set out in the latest version published of the Annex XIV of the REACH Regulation ("List of substances subject to authorisation") available on the ECHA website at <https://echa.europa.eu/authorisation-list>

-They comply with the restrictions and conditions as set out in the latest version published of the Annex XVII of the REACH Regulation ("Restrictions on the manufacture, placing on the market and use of certain dangerous substances, mixtures and articles") available on the ECHA website at <https://echa.europa.eu/substances-restricted-under-reach>

In the case that shipment from Supplier contains some substances (option 2 above), Supplier must indicate which substances listed and their concentration (% w/w). The calculation is based on the ECHA "Guidance on requirements for substances in articles" (Version 4.0, June 2017).

Please fill out the table below:

Material/COMPONENT(ARTICLE): _____

Substance Name (SVHC substances from Candidate list)	CAS Number	Concentration(% w/w) in the component	Remarks
